Health Science**

Introducing Nanotechnology: A Glimpse into the Future Seminar

&

Nanofiber Workshop (**limited seat**)

***It's free! Why wait?! RSVP NOW** to Dr. Mardhiah
at mmoh@iium.edu.my or Ext no: 5266

2nd April 2014, 2.30pm-4.30pm (Seminar)

2nd April 2014, 4.30pm-6.00pm (Workshop)

[Lecture Hall 1, Kulliyah of Allied Health
Science, IIUM Kuantan]

الجامعة الإسلامية العالمية ماليزيا

INTERNATIONAL ISLAMIC UNIVERSITY MALAYSIA

وَنَبْرَسَتِيْ: اِسْلَامٌ اَبْتَارًا بَعْنًا مِلْدِيْنَتَا

Mr. Ali Abbasi

Speaker's Background:

- 5 years experience in Electrospinning
- Certified Trainer of FNM Iran on Electrospinning System
- 7 years working experience in Iran Nanotechnology Initiative Counsel to promote education and commercialization of Nanotechnology

**Special Guests from Commercialization Unit,
NanoMalaysia Bhd**

Seminar Topics:

- Introduction of Nanotechnology
- Potential of Nanotechnology
- Nanotechnology: Nanofibers
- Electrospinning & Applications
- Nano-Education
- Nfiber Electrospinning System
- Trends & Future Outlook
